Activities

Student Council

During the 1962-63 school year, the student council has proposed many projects. For the first time the student council has instituted a Snack Hour after the basketball games. The proceeds helped such clubs as G.A.A., Yearbook, and Pep Club.

Another big project was the annual Homecoming Festivities with a successful dance after the crowning of the Queen.

The council sponsored a party for elementary children at Christmas. On Easter the council sponsored an Easter Egg Hunt in which the children in the grades 1 and 2 were honored.

The purpose of the student council is to give the student body a voice in the making and administering of the rules the students are governed by.

The purpose of this organization shall be to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote leadership, and to develop character in the students of American Secondary schools. Membership in this chapter shall be based upon Scholarship, Service, Leadership, and Character. During the 1962-63 school year, the National Honor Society has sponsored various programs. In the spring of 1963, the officers, Carol Mowiser, President; Mary Town, Vice-President; Libby Dorman, Secretary; Elma Newberg, Treasurer; worked hard to sponsor the first Career's Day. This was an immediate success and is being planned for next year. Also for next year, the newly elected officers are planning a Leadership Training Course to be held during the school day.

The Senior Play

The Inner Willy

Willy Adams, a well-behaved boy, had been given a "beautiful and sheltered life" by his Aunts - Hester, Louise, and Olga. Willy's "Inner Willy," which is only visible to Willy himself, appears to rebel against all the spinach and cod-liver oil that had been forced down Willy.

Many complicated situations arise when Willy must make a choice among four girls for his date for a dance.

The Junior Play

In The Doghouse

IN THE DOGHOUSE provides a frivolous up-to-date background as a group of energetic teen-agers prepare for a rummage sale. Preparations for this rummage sale are confronted with difficulties, involving a man-eating day, a self-hypnotism victim, an impatient real estate owner, and an irate owner who refuses to let his building continue to be used as the future site of a rummage sale.

Drivers' Education Program

Left to right: Mr. Don Calhoun, Mr. Otto Gates, and Mr. Gerald Hess

For the past three summers, Gates and Calhoun Chevrolet, Incorporated, has generously furnished the Argos High School with a new car in which to further the drivers education program.

This program not only aids the pupil in the basic knowledge he needs to become a good driver, but also provides a safe means of learning.

Each summer the car is in use for a period of 8 to 9 weeks. During this period, under the supervision of Ronald Smith, the instructor of the course for the past two years, the students have approximately 48 hours of class time, 24 hours of observation time, and 8 hours of actual driving experience.

Above, Mr. Hess, principal of the Argos High School, is presenting Mr. Otto Gates and Mr. Don Calhoun with a certificate of the school's appreciation for furnishing a car for this purpose.
